

FREE CUSTOMER SUPPORT

Good support services requires vast amounts of time and energy to cut-through insurance and government red tape.

Free Healthcare Consultant services help bring the 'Big Picture' to your doorstep in an effective manner.

1. **FREE** session to identify how much financial risk exists with your current healthcare insurance. Financial risk naturally changes as we age regardless of medical events. Annual review is recommended and could save you money from prior year costs.
2. **FREE** area pricing for cheapest medical procedures, surgery, labs & x-rays with quality outcome ranking.
3. **FREE** healthcare facility or nursing home survey and evaluation.
4. **FREE** patient advocacy services for patient rights and quality of care.
5. **FREE** government healthcare guidance. (Medicare, Medicaid, VA, Social Security)
6. **FREE** claim support or benefit information.
